

**Design Competition Announcement  
for the Intergenerational Shared Campus Development Project**

To transform the existing campus of the Busan Catholic University Seminary Campus into an intergenerational shared campus that integrates education, leisure, healthcare, community services, youth employment, and the silver industry, and to select creative and outstanding design proposals, the Busan Metropolitan City Construction Headquarters hereby announces the following open design competition.

**August 7, 2026**

**Director General, Busan Metropolitan City Construction Headquarters**

1. Title: Design Competition for the Intergenerational Shared Campus Development Project
2. Project Overview
  - A. Location: Vicinity of 8-12, Bugok-dong, Geumjeong-gu, Busan  
(within the Busan Catholic University Seminary Campus)
  - B. Scale: Remodeling of three buildings with a total floor area of 7,906.43 m<sup>2</sup>
  - C. Use: Educational and research facility
  - D. Design Fee: 1,277,139,000 KRW  
(Total project cost: 25,995,880,000 KRW; Total construction cost: 20,598,019,000 KRW)
  - E. Competition Type: Open design competition
3. Eligibility
  - A. Both domestic and international licensed architects are eligible to participate. For joint applications, up to two participants may form a team. Architect qualifications (licenses) must be held by the registration deadline, and domestic architects must be registered members of the Korean Institute of Registered Architects.
  - B. For joint applications, one member must be designated as the representative at the time of registration. All legal rights and obligations shall rest with the representative.
  - C. Entities or individuals participating in a joint application may not submit duplicate applications, either individually or as part of another team.
  - D. Foreign architects must either establish an architectural office in Korea in accordance with the *Certified Architects Act* of Korea by the registration deadline, or apply jointly with a licensed domestic architect. In the case of joint applications, the representative must be a domestically licensed architect.

※ For detailed requirements, please refer to the design competition guidelines

- A. Registration: Aug. 14, 2026(Fri.) 09:00 – Aug. 18, 2026 (Tue.) 17:00
- B. Site Briefing: Aug. 21, 2026 (Fri.) 14:30
- C. Q&A Submission: Aug. 24, 2026 (Mon.) 09:00 – Aug. 25, 2026 (Tue.) 17:00
- D. Q&A Response: By 17:00 on Sept. 2, 2026 (Wed.)
  - ※ Refer to the design competition guidelines for detailed procedures.
- E. Submission of Entries: Oct. 1, 2026 (Thu.) 09:00 – Oct. 2, 2026 (Fri.) 17:00
- F. Evaluation: Refer to Section 5 “Work Evaluation” and the design competition guidelines
- G. Announcement of Winner: Nov. 3, 2026 (Tue.)

#### 5. Work Evaluation

- A. Technical Review: Oct. 6, 2026 (Tue.) – Oct. 21, 2026 (Wed.)
- B. Jury Members

| No. | Organization                                   | Qualification | Name           | Note               |
|-----|------------------------------------------------|---------------|----------------|--------------------|
| 1   | Gyeongsang National University                 | Professor     | KIM Dong-gyu   | Jury               |
| 2   | OPENNESS ARCHITECTS                            | Architect     | LEE Dae-yong   | Jury               |
| 3   | STUDIO BA                                      | Architect     | LEE Dong-kyu   | Jury               |
| 4   | JOA ARCHITECTS                                 | Architect     | JEON Jin-young | Jury               |
| 5   | University of Ulsan                            | Professor     | CHOI Jung-woo  | Jury               |
| 6   | TongMyong University                           | Professor     | LEE Gil-im     | Preliminary Jury 1 |
| 7   | SITEPLANNING Urban & Architecture Design Group | Architect     | KIM Eun-ji     | Preliminary Jury 2 |

#### C. Evaluation Process

- 1) First Round: Oct. 27, 2026 (Tue.)
  - ※ If six or more entries are received, up to five entries will be shortlisted for the second round
- 2) Second Round: Oct. 28, 2026 (Wed.)
  - ※ Winners and prize-winning entries will be selected through a public presentation and jury evaluation.
  - ※ The evaluation will take the form of a discussion-based jury review. Detailed criteria, including grounds for disqualification, are specified in the design competition guidelines.

#### 6. Awards and Prizes

- A. Winning Entry: A certificate of award and the right to the design
- B. Other Prize-winning Entries: Up to four may be selected by the Jury Committee, receiving a certificate and prize money.

- 1) If four are selected: The prize money will be allocated in the order of ranking at 4/10, 3/10, 2/10, and 1/10 of the prize budget.
- 2) If three are selected: The prize money will be allocated at 4/10, 3/10, and 2/10 of the prize budget.
- 3) If two are selected: The prize money will be allocated at 4/10 and 3/10 of the prize budget.
- 4) If one is selected: 1/3 of the prize budget will be awarded.

C. Prize Budget: 100,000,000 KRW (including VAT)

## 7. Special Notes

- A. The design service contract shall be awarded to the selected winner through a negotiated (non-competitive) contract; however, the timing of implementation and contract amount may be subject to adjustment depending on budget availability and project implementation methods.
  - B. Any additional details not specified in this announcement (including design requirements, submission guidelines, exhibition arrangements, and disclosure of results) shall be governed by the design competition guidelines.
